PROFILE OF INSTITUTION

The College of Nursing established in 2011 was situated in Karukachal, Kottayam and shifted to Kuttapuzha, Thiruvalla by August 2019. Believers Church Medical College Hospital (Managed & Administered by Believers Eastern Church) is the Parent hospital holding the bed capacity of 750 beds in various specialties. Affiliation sort from other private hospital's for the fulfillment of student's requirements, healthcare, initiatives, charitable activities, community development programs, rehabilitation projects and relief works.

HISTORY

Believers Eastern Church - A Church with a call to serve God and Humanity

Believers Eastern Church, a Christian denomination is apostolic in origin, universal in nature, biblical and evangelical in faith, ecumenical in outlook and Episcopal in governance. The Church has at present 29 Bishops with the **Metropolitan Moran Mor Athanasius Yohan**, giving his spiritual and administrative leadership in the service of God and humanity. Believers Eastern Church is spread over 13 countries with 41 dioceses and over 2.6 million people speaking more than 300 languages.

Believers Eastern Church is an Indian Church with orthodox faith, employing 55,000 people and impacting more than 4 crore families regardless of caste, creed or religion. Over 25 years of nation building projects of the Believers Eastern Church has made it one of the largest community building entities in India.

- 1,30,000 children have been given a free education
- 28,000 toilets have been built in the most under developed areas
- 10,00,000 people have received medical care
- 35,000 women have been empowered with vocational skills
- 26,000 bore wells have been installed

- 25,00 concrete houses have been built as part of rehabilitation
- 60,000 leprosy patients have received hope and healing
- 16,00,000 blankets distributed in extremely cold regions
- 13,00,000 mosquito nets distributed in malaria prone areas
- 1,00,000 children have received vitamin A tablets each year
- 1,00,000 mothers have received prenatal vitamins each year
- 3,00,000 disaster victims have been given relief items
- 17,00,000 have been helped with self-sustaining tools and gifts
- 58,000 bio-sand water filters have been distributed
- 25,000 sewing machines have been given to most needy families
- 500 run away children have been rehabilitated in its home for street children

With many rural parts of India struggling with lack of adequate health care facilities and millions being pushed into poverty by medical expenses, it was a dream of Believers Eastern Church to do whatever in its power to provide quality and affordable medical care to all. Thus was birthed the vision to have a flagship project – the Believers Church Medical College Hospital situated in Thiruvalla, Kerala.

Other health care activities of the church include Believers Church Medical centers in Konni, Kerala and Purulia, West Bengal. Numbers of free medical camps are conducted to prevent and treat disease in the needy population. These hospitals offer excellent medical care to rural communities through specialized doctors and other health care workers. The centre in Purulia provide regular medical care and meals to leprosy patients in 38 colonies of Purulia.

VISION, MISSION, PHILOSOPHY & OBJECTIVE

Vision

To be an institution in the fore front of Nursing care by nurturing students through holistic, spiritual and scientific thoughts.

Mission

To provide students the right environment and inspiration to achieve their scholastic ambitions and to excel them in social commitment through quality and valuedriven education.

Philosophy

The faculty of the College of Nursing Guru Education Trust which is an educational institution Administered and Managed by Believers Eastern Church affirms that the degree programme in Nursing is based on formal educational principles on which the practice of professional nursing is built.

We believe that, Nursing is a dynamic profession that is scientifically based and is influenced by advances and innovations in science and technology as well as the emerging trends in society and health care delivery system.

We accept the fact of having a responsibility to the students and to the society to make provision in the programme for the continued development of the student as an individual and citizen as well as an efficient nurse.

College of Nursing Guru Education Trust strives for the personal and professional growth of students, and believe in the concept of clinical competence excellence in education, holistic care, professionalism, evidence based practice and lifelong learning.

Objectives

- To provide high quality education in Nursing comparable to the International standards.
- To utilize the advanced technology in providing high quality health care by conducting Nursing Research and applying the findings from research.
- To promote academic excellence through evidence based learning and problem solving approaches.
- To develop sense of respect towards human life and its right from the moment of conception till natural end regardless of caste, creed, race, color, sex, intelligence or economic status.
- Creating professionally competent nurses with high standards of skills philanthropic spirit and making to the work among the down trodden communities.
- To develop and promote integrity, ethical conduct and standard in the practice of Nursing.

BELIEVERS CHURCH MEDICAL COLLEGE HOSPITAL

Believers Church Medical College Hospital is the healing arm of the Church. The holistic approach of healing, adopted here, helps a patient get back to pink of health faster and sustain it for longer. Well experienced doctors, state-of-the- art facilities , modern Operation Theatres, Intensive Care Units, diagnostic facilities, computerized and networked Hospital Information System (HIS) deployed here have a common goal to fulfill - make the modernmedical technology accessible to the common man and the less-privileged. At Believers Church Medical College Hospital, it is compassion and empathy thatdrive the organization in its journey towards accomplishing its mission.
